

The background of the entire image is a photograph of three surfers in silhouette, wading in the ocean at sunset. The sun is a bright, glowing orb on the horizon, casting a warm, golden light across the sky and water. The surfers are positioned on the left, center, and right, each holding a surfboard. The water is calm with gentle ripples, and the sky is filled with soft, wispy clouds. The overall mood is serene and adventurous.

## IT'S TIME TO SURF

### IS THIS JUST ANOTHER SURFSCHOOL?

We work hard so that it's not!  
We're all about giving you customized and authentic surf experiences, so that surfing can become a part of you, as it is a part of us.

We've built our Surfing Experiences & Coaching based on our local knowledge and more than 10 year's of experience in surf coaching and guiding! We can guarantee you get the best surfing conditions for your surf level and that you don't waste time with anything rather than surfing and having the time of your life.

Based at Praia da Mata, Costa da Caparica we allow you to surf fun, accessible and consistent waves year round, just a 20 minutes drive from Lisbon's centre. We also visit Portugal's best surf spots, such as Peniche, Ericeira and Sagres on a regular basis.
